Thank you for your internet comments made on 14th November 2012 and recorded as follows:

The Planning Committee of this council considered this Application at its meeting on Monday, 12th November.

The Committee agreed that it would raise no objections to this Application.

It did express concern that the Application has not been raised as a retrospective Application, and this has been answered separately by the Planning Officer.

Simon Cross - Clerk to the Council

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
