Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/96/20/HH
Site Address: Little Dormers 23 Upper Drive East Preston BN16 1QN
Description of works: Roof and fenestration alterations to the rear elevation, new bay and porch skirt roof to the front elevation, and new roof linked detached double garage.

Thank you for your internet representation made on 10th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29510

We would strongly object to the proposed alterations to the above property. The large floor to ceiling glass doors with juliette balcony to the rear of the building would totally overlook and invade the privacy on neighbouring properties which mainly consist of low level bungalows. We also request any addition of side elevation windows should be obscure glass. The property already benefits from an internal garage therefore to build a large double detached garage with pitched roof to front of the building line would not only look out of place but overshadow light to neighbours property.

Your views as made above will be considered before the application is determined.
