Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/96/20/HH
Site Address: Little Dormers 23 Upper Drive East Preston BN16 1QN
Description of works: Roof and fenestration alterations to the rear elevation, new bay and porch skirt roof to the front elevation, and new roof linked detached double garage.

Thank you for your internet representation made on 11th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29554

I am objecting to the proposed planned garage extension to the outer edge of the boundary with the Angmering on Sea estate's verge.
As a local resident, this will negatively impact the look and feel of the area, losing the attractive nature of Upper Drive specifically where it will protrude out to the verge against the currently recessed nature of the existing houses on that side of the road.
I also feel that if allowed, this will present a precedent for future applications creating a larger and more profound impact on the look and feel of the estate in the future.

Your views as made above will be considered before the application is determined.

Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
