Dear Peter

Further to our conversation my client has instructed me to confirm the following to you:

Materials to be changed to match the existing building and surrounding area.

Main gable and dormer gables therefore to be tile hung elevations.

As discussed this should hopefully satisfy the Parish council and allow the application to move forward towards a delegated consent being granted

We will re-submit an amended application for the garage in due course.

Many thanks, [REDACTED]

Dear Mr Naish

Thank you for the email. Please could you just respond to say that you would wish to withdraw the garage from the current application and I will amend the application details accordingly.

To move forward you would need to submit a new application for the garage if it is withdrawn, which would of course require a new set of plans and forms.

Parish Contact details:
East Preston Parish Council
Council Office
122 Sea Road
EAST PRESTON
West Sussex
BN16 1NN

T [REDACTED]

I can't send out the third party details from the objecting group but you can view their comments online under the application documents or the hard copy of the letter on the file in the Council offices.

I shall await your response

Regards
Peter

Subject: 2 elm avenue

Dear Peter

I have now spoken to my clients.

The garage is extremely important to them and they are obviously disappointed.

At this stage they would like to go with your advice and remove the garage from the application in order for the extension to go through without going to committee

Please advise what you need from me to achieve this

Could you also please confirm how we move forward with the garage ie. do I need to submit all new drawings etc

Can you also provide contact details of the Parish council and the other body that was objecting if possible, as we would like to consult with them further in regard to the garage objections prior to submitting any new app.

Many thanks,
