Dear Sirs,

Planning Application FG/100/19/HH

I am writing to put my objection and views to the proposed extension to 23 West Drive Ferring West Sussex. As a former owner of No.14 The Poplars I know the property and its land well. Property's within The Poplars have limited gardens so I feel that this proposed extension to the said property which is already halfway across No.14's small garden would I feel enclose it completely. As I believe this to be the front of 23 West Drive's property does this proposed extension not go beyond the building line of the property and also will the extension not take away light from the rear of No.14 and No 15 and cast shadows.
