FG/101/12

Planning Application: FG/102/12  
Application for additional use at Millwood House, north side of  
Littlehampton Road, Ferring

We object to the above application because this site is at the foot of the South Downs National Park and the building of this house was always strictly on condition that the resident would be someone involved in agriculture or horticulture i.e. to be near his place of work. It would be quite wrong for this to become an ordinary house without such a condition.

Please reject this application.
