Thank you for your internet comments made on 29th August 2012 and recorded as follows:

FG/101/12 objection

Ferring Parish Council objects to this Planning Application (FG/101/12), the withdrawal of agricultural tenure, because it would create an unwanted precedent. This was a condition of the building and should remain.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Karl Roberts
