

SITE SPECIFIC TRAFFIC MANAGEMENT

Traffic Management Plan Ferring Country Centre 567015

- All client traffic will be directed by the client representative to use the adjacent field to the entrance road
- Only in inclement weather conditions will this be relinquished
- The site operatives will be briefed of such events and act accordingly allowing access to the site via the entrance road and ceasing all plant movements and deliveries
- The working site will be securely fenced off from the public with access gates securely locked when not in use
- Vehicles will be able to obtain entry to the Country Centre via the entrance road in an emergency and at times of extreme weather
- All deliveries to site are to be scheduled at off peak times to the Centre
- Avoidable times are
8.30-9.30
3.30-4.30
- All deliveries to and from the site to be supervised by a competent banksman
- See attached TM plan
