Your ref FG/103/20/T

Dear Mr Crowther,
With reference to the above planning application regarding our ilex tree.
The work to be carried out is a Crown Reduction and the approx finished measurements are height 4 metres and spread 6 metres.
This tree does not have a TPO on it but we do live in a conservation area.
I look forward to hearing from you in the near future.
Yours faithfully,
Susan White.
