Please ask for:
Mrs A Gardner

11th July 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Installation of a six-pump (12 filling position) automated petrol filling station ('PFS') & associated works. Resubmission of FG/206/17/PL

Land at Asda Superstore Littlehampton Road Ferring

Thank you for your internet representation made on 10th July 2018 which has been recorded as '**an objection**' with the comments as follows:

Once again, we strongly object to this preposterous proposal of a petrol station sited at the rear of our gardens where we will be subjected to constant noise and light pollution. If we had known of these stupid plans before our house purchase, we would have purchased elsewhere. Yes you have removed the jet washes, but you must think that we are stupid as you have left a patch of tarmac in its place ready for your next application of jet washes to be installed at a later date, can you confirm that this is not the case? WHY 24 HOURS, do you think that we wont suffer enough therefore taking away our ability to open our windows on a hot night, effectively making sure that will not be able to sleep!! Why is it so badly needed when a petrol station not more than 2 miles away was replaced by flats, obviously not that needed!! This is just Asda profiteering out of our misery, profits before our health and sanity, nice one! Hope you can sleep at night, as guess what we wont be able to!! Thanks for your thoughtlessness.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
