**Our Ref:** FG/105/18/PL 18-05-2018  
**Please ask for:**  
Mrs A Gardner

11th July 2018

Dear Sir/Madam

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

---

Installation of a six-pump (12 filling position) automated petrol filling station ('PFS') & associated works. Resubmission of FG/206/17/PL

Land at Asda Superstore Littlehampton Road Ferring

---

Thank you for your internet representation made on 10th July 2018 which has been recorded as '**an objection**' with the comments as follows:

*I am writing to object to the revised planning application for the Asda petrol station and to note my previous objection to planning application FG/206/17/PL.*

*I have serious concerns with regards to the noise and light pollutions that we, as direct neighbours, would have to endure. I feel a 24 hour petrol station is not needed in this area as it will encourage a larger volume of traffic to a road that is already heavily congested at times.*

*More concerning than that is the health implications as I have recently been diagnosed with a medical condition called Crohns Disease. Due to this I have to take medication to suppress my immune system thus weakening my immune system. In doing so this makes me more susceptible to illness. I am very concerned about recent studies done on petrol stations and the levels of pollution to the environment and also to peoples health especially the vulnerable. Benzene is a carcinogen and occupational exposure to high concentrations has been linked to an increased risk of developing acute myeloid leukaemia. I would like confirmation that these pollutant levels are not a concern to the health and well-being of myself and the neighbouring families.*

*I would very much like to ask Asda to reconsider the location of the petrol station and consider moving it to the west side of the store where there are no neighbours and the distance from us and the new housing estate on the east side won't be affected.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or

information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website [www.arun.gov.uk/planning-privacy-statements](http://www.arun.gov.uk/planning-privacy-statements).

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther  
Group Head of Planning
