Dear Sir/Madam

**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Installation of a six-pump (12 filling position) automated petrol filling station ('PFS') & associated works. Resubmission of FG/206/17/PL

Land at Asda Superstore Littlehampton Road Ferring

---

Thank you for your internet representation made on 11th July 2018 which has been recorded as '**an objection**' with the comments as follows:

*Good afternoon,*

*I am writing to object to the planning of a petrol station by ASDA. I am a direct neighbour to the superstore and I believe their plan to build a petrol station would bring overwhelming negative results to the neighbourhood.*

*Primarily, the position ASDA have chosen for the petrol station would serve as an enormous risk and fire hazard towards myself and the newly built estates nearby. Second, the increased levels of noise and sound pollution from the petrol station completely disregards the thoughts and feelings of us living nearby. Furthermore, the plan for a petrol station intrudes on our privacy substantially - especially when the fence ASDA set up has begun to degrade and is consistently ignored for repairs.*

*Thank you for your time,  
Max*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website [www.arun.gov.uk/planning-privacy-statements](http://www.arun.gov.uk/planning-privacy-statements).

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
