Subject: Fwd: Asda Petrol station planning Petition

Hi Anita

Please find attached a PDF petition of 87 signatures opposing the 24 hour automated PFS at Ferring

Please can this be placed securely online to be viewed however prior to doing this please can you cover over the personal data such as signatures for GDPR compliance etc.

If you have any problems with accessing this PDF please call me on my mobile [REDACTED] and I can try to resend.

Kind regards

Susie blakeney

Subject: Asda Petrol station planning Petition

ASDA have put in their 2nd planning application for a 24 hour, 12 position filling station on their leased land adjoining the already busy A259 road. This land directly backs onto many neighbours who have young families. Asda was only originally permitted to develop and build on this land on the basis it was set far back from the road to prevent any visual pollution. Original permission was granted on the basis that no further development of the plot is to be permitted. Please see additional sheet for implications this development could cause the local neighbourhood.

ASDA - Propopsed 24 hour filling station JUNE-JULY 2018
