The Tudor Close Public House FG/105/20/PL

Dear Sir/Madam,

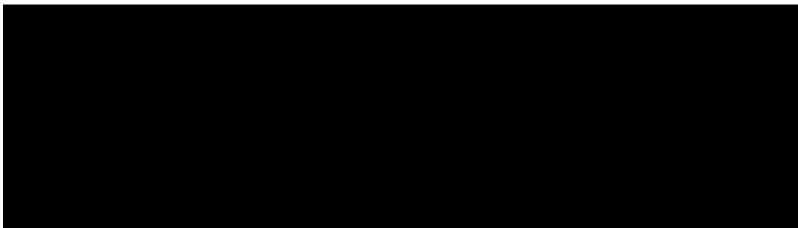

I wish to object to the proposed change from Public House to 7 dwellings & 2 bungalows. A few years ago this establishment had a well regard restaurant to which people came from miles around.

It was originally an 18th century barn & has had many incarnations, such as a school. It is the only old building in the whole of South Ferring.

Over the last few years all the eateries in South Ferring have disappeared, so that with the loss of the Tudor Close there will be no where to entertain friends.

This building is at the end of a parade of shops which hardly exists anymore as most have been turned into flats. How many more flats are you going to allow? The block of flats on the corner has had empty flats since it was built 2 years ago.

What is a village if it does not have any amenities!!! Put a stop to this over development.

S Bolam.
