Dear Julie,
Thank you for getting back to me so quickly.
I can confirm that FG/87/21/PL has not commenced and the building works have not been completed yet.
Can you please send me a link to these two forms so I can fill them out.
I really appreciate your help.
Best wishes,
Marvin

Hello,

I can help. Apologies for not being able to get through.

If you can confirm that:-

- 1) The new application FG/87/21/PL has not commenced. I believe this should be the point where the new application differs from previous.
- 2) The building works are not complete.

You must also submit a Form 2 Assumption of Liability and confirm that FG/105/19/PL will cease to be carried out and that chargeable development under FG/87/21/PL will be carried out and a submit a Form 6 Commencement Notice for these works.

Regards,
Julie

Dear Julie,

I am one of the owners of Merlin Hakelev and received the attached note about the CIL due for FG/87/21/PL.

I have tried to read through Regulation 74B Abatement as per your advice but it is very complicated for someone like myself who is inexperienced in reading documents of this nature. I suspect the money we have paid until now (FG/105/19/PL) should be transferrable to (FG/87/21/PL). I've tried to call you but it's difficult to get through. I'd be very appreciative if

you could help me navigate the process in relation to transferring the funds paid (see attached- 3 payments) to date to the new CIL.

Many thanks for whatever help you can provide,
Marvin L. Schechter
