Nicola

Thanks for the email below and the letter. We comment below on your requests for further information in orange below:

- Floor Plans
- Please submit plans showing the layout of the existing café facility

I'm not sure I understand why additional plans are required. The submitted drawing, attached for ease, shows the overall store and the location of the café, sizes etc. The application is for a Certificate of Lawfulness so is a matter of law and fact rather than layout. We are doing a number of these applications and no other Council has required additional drawings.

Please confirm your acceptance of the above application description.

We would recommend the following description which has been used elsewhere: Application for a Lawful Development Certificate in respect of the proposed use of part of floorspace as an ancillary 'in-store' cafe

Thanks

Katherine
