photos of fencing and access.pdf;

Hello,

Can the attached photos be uploaded as 'Photos of proposed fencing, hedging, and access gates as installed and planted' please?

Thank you,

Harry Chalk, MSc
Senior Planning Officer, Development Management

Thank you for your phone call earlier.

The proposed access/parking areas have been created in keeping with the remainder of the new fencing. I have added some additional photos of the access/parking areas to the attached photo sheet.

The applicant advises that the permitter planting carried out is Fagus.

I am endeavouring to obtain an amended drawing 04 and am awaiting a timescale for its preparation and delivery.
