

Highdown Paddocks Dog Walking Fields

MANAGEMENT PLAN

1. The dog walking paddocks will operate in accordance with the terms and conditions (included in this planning application) to which all users will have to agree.
2. The dog walking paddocks operation will be managed by the landowners who run the adjoining equestrian centre. The owners are on site 24 hours a day, seven days a week to care for and monitor the horses kept at the equestrian centre. The buildings and facilities of the equestrian centre are close to the dog walking paddocks. Users of the dog walking paddocks will be provided with an emergency phone number to contact the owners to report problems.
3. The owners monitor the paddocks regularly to ensure the health and safety of horses. This daily monitoring will extend to the dog walking paddocks. Fences of all paddocks will continue to be checked every day. Any damage to the secure fencing of the dog walking paddocks will be made secure immediately.
4. In the event of any breach of the terms of use of the dog walking paddocks, either identified by the owners or reported to the owners, will be dealt with by the owners straight away.
5. The dog walking paddocks will be cleaned of dog mess regularly and grass will be mowed in accordance with our current paddock mowing schedule, using the equipment we already own and use.
