Details of the pre-application advice received

Based on the above comments I conclude that were an application for planning permission to be submitted it would be likely to be refused due to the unacceptable overshadowing/overbearing to the property to north caused by the double garage. The double garage should be re-located in a different location and the design should be amended to have less impact e.g. lower roof unless it can be demonstrated in any application that these issues do not result in demonstrable harm.

11. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.
