15th August 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

4 No. bungalows
44 Ferringham Lane Ferring

Thank you for your internet representation made on 14th August 2017 which has been recorded as '**an objection**' with the comments as follows:

Previous plans were rejected. My concern is the access to the site with plans to put traffic lights into Ferringham Lane. There is no information on how this could possibly work and how it will impact the neighbours. With cars parked on the road this would block the views of cars exiting the site and having traffic lights would prevent us from parking outside our properties. I would like more information on how this traffic light system would work as it would obviously impact me and the safety of all. The access to the site is only wide enough for small vehicles and previous damage has been done to the wall belonging to No 46, therefore the council would be impacted as they would have the extra cost of using a smaller vehicle to collect refuse as there is absolutely no room for bins for 5 properties at the entrance. The site has been bought solely to be developed and the traffic light system will not impact the owner only the local residence.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
