Dear Sir

re FG/115/17/PL

We wish to object to the proposed development for the following reasons

1 Safety

The narrow drive opens onto a busy road, where people park outside their own homes. Also the bus stops outside.

Idling cars will only add to pollution.

Where will all the cars from the new houses park. Most people have minimum of 2 at least.

2 Buildings

buy one get four free.....

We thought the local village plan was meant to prevent over building in gardens.

The advertised application form says 4 bungalows...The plans clearly show 4 houses.

This must be misrepresentation.

The houses, if permitted will look over our house and into our bedroom.

Especially if they have balconys... We have 20 foot gardens. we are already overshadowed by trees.

Yours sincerely,

V. Hailes S.Hailes
