Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

4 No. bungalows
44 Ferringham Lane Ferring

Thank you for your internet representation made on 7th December 2017 which has been recorded as '**an objection**' with the comments as follows:

OBJECT

It took some while to figure out what the changes were on this re distribution of plans, please ask developers to itemise the changes in the future to make the proposals transparent not small print on the drawings without reasons - nothing has been done to ease the dangerous access to the site. More and more complaints about speeding and congestion are being published by the council in the local newsletter and our own observations. This proposal will make it worse.

To call these buildings three bedroom bungalows is stretching the definition somewhat. It is noted that the properties have been moved westwards which enlarges the rear gardens and may reduce the overlooking in the neighbouring properties in the east but worsen those to the east. If these were bungalows would roof extensions be approved in the normal course of events without obscure glass to all upper floor rooms?

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
