Good morning Anita,

Thank you for your email.

The issue that FPC Planning Committee had was that trading was to continue without the noise management report being submitted by the applicant. Now that it has been submitted and considered satisfactory by the officer, we do not need to take any further action and no longer need to maintain our objection.

Thank you

Dear Ms Pibbs,

I note that Ferring Parish Council have objected to the above application. We have now received a revised Noise Report and the environmental health officer is satisfied with these details. With the Parish objection, if the application is recommended for approval it would need to be determined by our committee. I am therefore writing to see whether in the light of this additional information you wish to maintain your objection. I would appreciate receipt of any revised comments by 21-11-2018.

Regards

Anita Gardner
