Dear Mr Dixon,

Can you clarify which sign on the application form description you wish me to change? I cannot see one called a Main Sign.

Please amend the detailed plan to include all signs and their positions clearly identified on the plan (including those on the walls of buildings directed with an arrow/colours etc).

The plans submitted do not accord with the application form details.

Many thanks.

Regards,

Karen

Hi Karen

Just thought I would touch base with our documentation in need of editing.

I do apologise, but once an application is submitted editing the word Main Sign for Stack Board is not something I have done before.

The edit I mean, not making adjustments, but was wondering if you could change your end with our permission.

We will be making amendments to the Location/Site Plan for you and I shall send to you via e-mail.

I did phone, but it was just about these items.

Best Regards and hope to speak in the future.

Gary Dixon
