NOTES

- (a) In all cases, plans should be submitted with this application in order that the trees to be lopped, topped or felled can be accurately identified. (6 copies are required). The plans should also clearly indicate the site to which the application relates edged in red.
- (b) Where selective felling is to be carried out or isolated or hedgerow trees are to be felled, the trees to be felled should be accurately marked on a plan to a scale not less than 1:2500.
- (c) When a wood or portion of a wood is to be clear felled, a plan to a scale of 1:10000 metric showing the boundary of the area to be felled and the acreage involved is required.
- (d) In most cases where felling is proposed a certain amount of **replanting** is likely to be a requirement of any consent which may be granted.
- (e) Any additional information in support of your proposal may be included in a letter accompanying the application. If you so wish.
