Please ask for:
Mrs A Gardner

30th August 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Variation of condition 2 imposed under FG/37/17/PL relating to approved site plan.
Onslow Caravan Park Onslow Drive Ferring

Thank you for your internet representation made on 29th August 2018 which has been recorded as '**an objection**' with the comments as follows:

I am writing to object about the proposed workshop that is being built directly behind my property 6 meadow way. I had no idea that this was being built as the 1st planning application form was attached to telegraph pole 4 houses down and facing across the street so nobody could see it { How convenient } The building is huge and its all i can see as we enter our back garden. On the application it says that the building cant be seen from the road or public footpath , that`s a joke of course it can , i have had neighbours from across the road asking if i was building an aircraft hanger in my back garden. I am concerned about the noise this workshop will make. Looking back i wondered why they cut down the tall fir trees it was all apart of stage one of this monstrosity of a building they intend to build. If they had kept them up and not cut them down it would have hid the building and probably no complaints as we wouldn`t have been able to see it and the trees may have screened any noise.i know this objection from me is late in the day but i have been unemployed for a while and been very depressed and the workshop being built has not helped my situation.

Kind Regards

A . Roebuck

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website

and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
