

Sub plan please!

Dear Mr Denton

It has been noticed that the Proposed Elevations document ADC/1222/04B has the labels for "East" and "West" shown incorrectly.

As I have been unable to get a response from our agent Alistair Dodd, I attach a copy with the amended wording.

Please could you also copy me in on any correspondence sent to Mr Dodd as I am not quite sure if he is still able to respond to enquiries at present?

My telephone number is [REDACTED] if you need to contact me.

Many thanks

Mrs Nicola Fowler
