Thank you for your internet representation made on 9th November 2020 which has been recorded as support with the comments as follows:

OWPC31109

I have walked my dog through this route for many years now. The Stand-by storage site was once an eye sore, with a large poly-tunnel upon the site. It is now very clean and smart looking, with green storage containers, a new gate and fence. It makes it much more pleasurable to walk through the site, with it being very well maintained and looked after to a high standard. I fully support any further improvement of this site
