

Key

A horizontal number line is shown, labeled from 0 to 5 meters. The line is divided into four equal segments by tick marks at 1, 2, 3, and 4. The segments are shaded alternately: the first segment (0 to 1) is shaded, the second (1 to 2) is unshaded, the third (2 to 3) is shaded, and the fourth (3 to 4) is unshaded. The label '5 meters' is at the right end of the line.
