Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/127/20/PL
Site Address: Onslow Caravan Park Onslow Drive Ferring BN12 5RX
Description of works: Retrospective application for the demolition of 3 No. existing buildings & erection of replacement workshop & machinery store building (amended design & siting to FG/37/17/PL). This site is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 4th November 2020 which has been recorded as an objection with the comments as follows:

OWPC30945

I wish to oppose the application for the reasons listed below which I believe meet the criteria for material consideration.

- The design appearance and layout is not in keeping with a caravan park.
- The purpose is industrial and not residential.
- If the application is accepted it will set a precedent to allow similar types of construction on this site.
- The highway safety will be compromised by additional traffic entering and leaving the site on the narrow roads.
- The noise from the development is disturbing the quiet enjoyment of my garden and scaring off the bird population which visit my garden.

I would be grateful if you would set out your intended course of action to address my concerns.

Your views as made above will be considered before the application is determined.
