Application No: FG/127/20/PL
Site Address: Onslow Caravan Park Onslow Drive Ferring BN12 5RX
Description of works: Retrospective application for the demolition of 3 No. existing buildings & erection of replacement workshop & machinery store building (amended design & siting to FG/37/17/PL). This site is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 12th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31323

Living on Onslow Drive, the grass verges get in a terrible muddy state owing to mobile homes and service vehicles having to access Onslow Caravan Park, also visitors use the road to visit this Park which is open all year but for two weeks.

It is a narrow road with parking usually along one side, mainly residential. There is enough room for cars to pass but not unfortunately larger vehicles which recently, since an industrial type building has been erected have become more prevalent.

West Sussex County Council are on a regular basis called on to repair and clear the mud from the pavements, in between times Residents have to put up with walking down muddy pavements the whole length of the road.

Your views as made above will be considered before the application is determined.
