Dear Mrs Gardner

Considerable concerns have been raised by a number of residents regarding the above application, due to the height and mass of the building it is both overbearing and has a detrimental effect on the amenities of the properties in Meadow Way. In particular the height of the building has significantly increased. The building has been constructed contrary to the planning permission and is unacceptable.

In view of this breach of planning permission this application should be brought to the attention of the Development Control Committee

Yours Sincerely
Cllr Roger Elkins
