Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/127/20/PL
Site Address: Onslow Caravan Park Onslow Drive Ferring BN12 5RX
Description of works: Retrospective application for the demolition of 3 No. existing buildings & erection of replacement workshop & machinery store building (amended design & siting to FG/37/17/PL). This site is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 13th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31368

As this application is seeking retrospective approval I assume West Sussex Highways have not had an opportunity to comment. The roadway leading to the site is too narrow to safely accommodate large lorries or HGVs. This is evident from the deep ruts in the grass verge along Onslow Drive caused by heavy vehicles not having enough space on the road to reach Onslow Caravan Park, the site of the proposed development. In my view there is a clear health and safety issue with pedestrians walking along the adjacent narrow pavement where an accident is waiting to happen. The Planning Authority should be invited to visit Onslow Drive themselves to witness the unsuitable access and the damage to the grass verge.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
