Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/127/20/PL
Site Address: Onslow Caravan Park Onslow Drive Ferring BN12 5RX
Description of works: Retrospective application for the demolition of 3 No. existing buildings & erection of replacement workshop & machinery store building (amended design & siting to FG/37/17/PL). This site is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 15th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31372

The periodic replacement of static caravans at the park, causes considerable damage to the lawns at the north east end of Onslow Drive, due to the width of the lorries/caravans having to drive over the grass (as they are too wide to drive on the road), in turn destroying it. This happens regularly enough, but with a proposed new 'workshop & machinery store building', no doubt the heavy vehicle traffic using Onslow Drive will become even more frequent. I object to this application, and further to that i feel that the grass verges on the Northern side of Onslow drive should be replaced with pavement, as it is a complete eyesore.

Your views as made above will be considered before the application is determined.
