Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/127/20/PL
Site Address: Onslow Caravan Park Onslow Drive Ferring BN12 5RX
Description of works: Retrospective application for the demolition of 3 No. existing buildings & erection of replacement workshop & machinery store building (amended design & siting to FG/37/17/PL). This site is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 16th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31406

Having previously submitted a petition of 101 names back on 7th April, 2020 (which supported our disdain and disapproval for all previous work resulting in the block-out of our views), there is now a retrospective application. These separate applications appear to be alternate ways trying to get round the fact that this enormous building should never have been approved in the first place. I will be resending my original objections by email which will include photos of our obliterated view of the beautiful South Downs. We appreciated this view for 30 years until the owners of the caravan site took matters into their own hands and decided we didn't need it anymore.

Kind regards,
Mrs S Chlouk

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Yours sincerely

Neil Crowther
