Dear Sir/Madam

I strongly object to this retrospective application by the caravan park owners to erect a replacement workshop & machinery store building. They have clearly shown utter contempt for their neighbours and the planning procedure

by proceeding with the building. It is an enormous eyesore and obviously blocks out the view for the people living in Meadow Way and must have de-valued their property just by being there.

Access to the Caravan Park is via narrow roads and the regular churning of the grass verges will only be exacerbated by the increase in larger vehicles to the proposed new building.

Regards

Melanie Haynes
