**Please ask for:**  
Mrs A Gardner

30th July 2018

Dear Sir/Madam

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

---

Application for variation of condition imposed on planning reference FG/115/17/PL  
relating to condition no. 4 - access width.

44 Ferringham Lane Ferring Worthing

---

Thank you for your internet representation made on 27th July 2018 which has been recorded  
as '**an objection**' with the comments as follows:

*This is a stupid attempt to obtain permission for a project that has already been dismissed in previous applications by both the Planning Inspector and Arun District Council because the width of the access road is only 3.53 metres and would be contrary to the interests of road safety, amenity and the environment. The width is still 3.53 metres and the applicant cannot increase this size due to the ownership of its surrounding area. The plan would result in a very congested area for the existing residents with serious problems for utility vehicles and the proposed traffic light system for the control entry and exit arrangements would not meet the approval of drivers on Ferringham Lane. I sincerely hope that this application is not approved*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website [www.arun.gov.uk/planning-privacy-statements](http://www.arun.gov.uk/planning-privacy-statements).

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther  
Group Head of Planning
