Subject: Planning Application .FG/129/18/PL.

Four terraced houses to be built in Ferring.

I object to the above mentioned on the grounds that this area is far too busy to have additional properties built.

Ferring is a village, but more and more vehicles are racing round very narrow roads not suitable for extra traffic.

I do believe my objection will "Fall on deaf ears", but it makes me feel better to write this letter.

Barbara Lochrie.
