

Mr S Roberts.
Keymer Crescent

24th August 2018

Ref - FG/129/18/PL 444 Ferringham Lane - 1/4 Pebble Lane

We are IN FAVOR of the Variation of
condition at 1-4 Pebble Lane as it is
3.5 and over not under 3 metres
which makes it still safe and useable
for 4 bugabos, and the traffic light
proposal prevents congestion.
