Dear Mary,

Further to my email of 7th September, I have now written the application up and so no longer require the extension of time. However, please note that our recommendation is to refuse based on character and residential amenity and I have already agreed this position with my team leader.

Kind Regards

Dear Ms Crimmins,

 I have been reallocated this application. It is currently due for a decision by 23/09 but I have my own caseload and I don't think I will be able to make this deadline. I am writing to request an Extension of Time until 15th October 2021. I may be able to do it sooner but it would be helpful to me if you would agree to this extension in case I cannot.

Kind Regards
