Objections

Mrs. C. Gibbins

Millview

Hangleton Lane

Ferring BN12 6PP

Nov 19th 2013

1. 6 metre lighting yards from my property.
2. Large paved forecourt in this area would contribute to already flood problem we have.
3. Hangleton lane is approx 14ft 10"
Car (6ft+mirrors) Lorries (8ft+mirrors) cannot pass each other they even drive on the pavement which is used by children walking or on bikes/horse riders & dog walkers. Traffic backs up on the dual carriage way especially when it's flooded surely this compromises highway safety.
4. Noise on forecourt 10hrs plus a day, am I not entitled to quiet enjoyment of my property especially when this business is agricultural or forestry.

Therefore it should be turned down.

Yours faithfully
