Dear Sirs

YOUR REF: FG/134/13
DEMOLITION OF BUNGALOW & FORECOURT EXTENSION
YEOMANS PEUGEOT / THE BUNGALOW, HANGLETON LANE, FERRING

Having received a detailed site plan and a description of the proposals for the above, I have considered the scheme and feel that the additional parking and on-way traffic management system proposed will improve the current arrangements.

The current situation causes problems for staff and customers at Yeomans Peugeot and often necessitates using the road outside for parking which is dangerous for all road users and is also unsightly for local residents. Additional parking would resolve this issue. The one-way traffic system will also make access and egress to the Yeomans site safer for all concerned.

I would like to register my support for the proposals detailed in the above Planning Application.

Yours faithfully

James Dobson
