Subject: PLANNING No FG/134/13

Dear Mr Smith,

I own the site known as Hangleton Nursery, Hangleton Lane, Ferring BN12 6PP

We are aware an Application has been submitted by agents for Yeoman's Garage, to demolish one Bungalow and prepare hard standing for car parking.

In principle we have no objection to the proposal, but are concerned that the exit of vehicles is to be onto Hangleton Lane, at the near junction onto the A259.

If permission is to be granted, we believe the exit and verge should be widened to accommodate the increased traffic onto Hangleton Lane, which will assist with the additional traffic.

Would you please acknowledge this correspondence.

Yours sincerely,

E.S. Taylor
