re plans applied for no FG/135/17
objection for the 9th Apartment.

ARUN DISTRICT COUNCIL

11 SEP 2017

RECEIVED

Dear Sir

As already the whole of the building plot is looking well overdeveloped and totally unacceptable considering there was only one property originally sited there. The area the developers are wanting for the 9th plot is where the communal garden should be. Also it would be very close to the boundary and the existing bungalows in Beehive Lane. As we have lived in Ferring next to the plot we personally knew the owners of the original thatched house and accepted one day there may be 4 bungalows permitted what a shame. Globe Estate managed to change the original plan. Finally the said new Plans would completely overdevelop the plot on the very busy corner

and already is showing signs of traffic
problems on the corner of Beehive Lane and
Ocean Drive especially in school term when
many children walk or cycle to the local school
and already I see many accidents waiting
to happen even before the extra ten to twenty
vehicles using the plot

Yours sincerely

SA Beehive Lane
