Dear Sir,

**Re: - Planning Application FG/135/17/PL
South Point, Beehive Lane.**

I am a resident living in Beehive Lane approximately 100 metres away from the development.

This latest proposal from the Developer is simply outrageous but I guess only to be expected given the track record of those concerned.

I wish to object on the basis that whichever way you look at it the revised application represents an even greater overdevelopment of the site and would be completely out of character with Beehive Lane. No allowance has been made for additional on site parking and the undertaking for a landscaped garden would disappear without trace.

I'm speechless over the audacity of these latest proposals.

Yours sincerely

Mrs S Bates
