We refer to the above application by the developer of South Point in Ferring to add an additional dwelling on the site. It was understood that a block of eight flats was approved with a communal garden adjacent to the first bungalow in Beehive Lane.

To add an extra dwelling on the site of the planned garden, would be an over development and out of character for the area. It would obviously be too close to the aforementioned bungalow.

We trust , therefore, that this application will be rejected and the developer will be made to adhere to the approved scheme.

Louis and Ellen Berks, 1,. BN12 5HH.
