Subject: RE: FG/135/17

Mrs Gardner: I know you cannot discuss the merits of the application at this stage but I am puzzled about its relationship to the consent given to FG/33/17 in May this year. Condition 2 said: 'The development hereby approved shall be carried out in accordance with Site Plan and Location Plan -Dwg No. 2.19 Rev D, Proposed Floor Plans 2.17 rev F, Proposed Elevations 2.18 rev E, Proposed store, cycle store and boundary treatment 2.21, Street Elevations 2.20 rev A,' etc. Drawing No.2 Rev D showed a communal garden where the current application shows a further dwelling. Would not this dwelling be a breach of the condition? Should there not be a concurrent application to vary Condition 2 of the consent for FG/33/17? – Ed Miller (Secretary, Ferring Conservation Group)
