Dear Sirs,

I would like to strongly object to the application for another building in the plot on the corner of Beehive Lane which was going to be a communal garden.

This application is totally going against what he promised as a communal garden would be much inkeeping with the area giving the flat residence.

an outdoor relaxing area and
the neighbours a better out-
look, plus trying to keep in
character with Ferings green
spaces.

If this extra building
goes ahead it is just making
a mockery of the first agreed
application.

Yours Faithfully.
