

Mr Gareth Howell
Albury Peace
The Street
Albury
GU5 9AE

Dear Mr Howell,

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Listed Building Consent for Alterations, Extension or Demolition of a Listed Building

Development: Listed building consent to form a new vehicular access following the removal of a 900mm wide gate, widening the entrance to 2.3m and demolishing 1.4m of flint wall.

Location: 11 Yew Tree Cottage Ferring Street Ferring BN12 5HL

Thank you for your recent application which I received on 22nd October 2025. It is being validated by Amy Anderson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Elevations

Please submit electronic plans in pdf format clearly labelled existing and proposed elevations at a scale of 1:50 or 1:100. Further details can be found in the Validation Requirements List.

Existing Plans

Please submit electronic plans in pdf format clearly labelled existing plans at a scale of 1:50 or 1:100. Further details can be found in the Validation Requirements List.

Visibility Splay

West Sussex County Council require that a visibility splay is provided. A splay is formed for a 30 mph speed limit road by measuring from a point 2.4m back from the kerb edge in the centre of the proposed access. A line should then be drawn from either side of this point for 43 m in each direction to the nearside edge of the carriage way. The splays must intersect and only within the control of the applicant, or within the publicly maintained highway.

The distance will increase with the speed limit of the road. If the road is 40 mph speed limit then the distance should be 120 m either side. For speeds above this please contact West Sussex County Council Highways for advice on what would be acceptable.

Proposed Crossover

Please provide measurements of the proposed dropped kerb (widths across the entrance to the property and the road edge, and the depth across the pavement).

Biodiversity Enhancement Statement

Please submit a Biodiversity Enhancement Statement. This is a local validation requirement completely separate to the Biodiversity Net Gain requirements and as a minimum, it should state how the application seeks to protect and improve the existing on-site natural environment. Please refer to the validation requirements list for further information.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **11th November 2025** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this

application.
