25th September 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for variation of a condition 2 imposed under planning permission
FG/180/16/HH relating to approved plans
11 Telgarth Road Ferring

Thank you for your internet representation made on 24th September 2018 which has been recorded as '**an objection**' with the comments as follow s:

Ferring Conservation Group objects to this application on the grounds that the proposed extension would be incongruous and out of keeping with the other properties in Telgarth Road. The extension is already substantially built and is out of proportion to the scale of the original building and to the neighbouring buildings. The addition of a dormer window to the north elevation would make the building even more incongruous - as the Council had already decided in refusing previous applications which featured it. It is difficult to understand how the Council can accept as valid an application that is identical to one that it had previously refused. There is not even any rationale put forward in the application for the reversion to proposal that has been refused. The application therefore seems totally without merit and should be refused. - Ed Miller (Secretary, Ferring Conservation Group)

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been

in et lete

received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
